

Wirral CAMHS & Early Help Resource and Information Pack

Everyone has an important role to play to help children, young people and their families thrive, including children and young people themselves, their families and friends, schools and other agencies.

This pack contains information about self-help resources, community services, when to refer to CAMHS, when to contact the Early Help Team and what to do if you are concerned about immediate risk or harm.

Revised November 2019

Coping

There are ways to develop coping strategies through self-help resources for children, young people and families. Details of websites, apps and reading materials that lots of young people find useful are provided on **pages 3-10**
